

## **SFL - Adjustment of Conversion Rate on Convertible Notes**

Press release from Ship Finance International Limited, March 11, 2019.

Ship Finance International Limited (NYSE: SFL) ("Ship Finance" or the "Company") today announced that the Company has adjusted the relevant conversion rates related to its outstanding convertible notes as indicated below. The adjustments are done pursuant to the relevant loan agreements, as a consequence of Ship Finance's declaration of a dividend of USD 0.35 per share, and the shares of the Company trading ex-dividend on the New York Stock Exchange as of today.
